

what has become of this country? when someone has to sign a loyalty oath to attend a presidential speech and, now, when our airwaves can be used to engineer election results. I consider the airing of Stolen Honor to be an illegal corporate donation to a campaign and will organize- in protest - a boycott of Sinclair's advertising sponsors.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
